THOMAS (P) TRIBBEY Introduction

November 10, 1995

by Glenn E. Tribbey

We owe a large debt to many people who shared their research with us to make this compilation possible. We are honored to have been privileged to assemble and present this genealogy for the perusal of any and all descendants of Thomas and Ruth Tribbey.

First; Mrs. Wilma Diesen of Midland, Mich. for the initial letter to my sister, Faith E. T. Welch asking for information about Jacob Tribbey (her ancestor) and enclosing information about Thomas and Priscilla Tribbey who are our ancestors.

Second; Irma & Jim Markel of Portland, Oregon who had done the very thorough research of these early TRIBBEYS and graciously shared so much of their valuable records with both me and with Larry Richardson.

Third; Lawrence V. Richardson of Paradise, Cal. who did so much to get so many others to share their records with him and he then shared everything with me so that this compilation and three other lineages became reality.

Fourth; Uncle Stanley E. Tribbey, the draftsman who made the TRIBBEY descendant charts - AND published The TRIBBEY NEWS, 1952 & 3. These newsletters were typewritten and were sent out to all TRIBBEYS then known to him. These folks shared their knowledge of their branches of the TRIBBEY Heritage which we now take great pride in sharing with any and all who read this book.

Fifth; John Floyd Tribbey of New Albany, Ind. a descendant of Francis Marion Tribbey who expanded on the research started by his sister, Cleon M. T. Brown. He also shared the computer charts made by his grandson, Steven Scott Tribbey.

Sixth; Mrs Edsel Reed of Jeffersonville, Indiana who shared so much of her records which added so much to the JAMES & ELIZABETH TRIBBEY lineage book.

There are so many others who shared their records with one or another of us so that eventually I received the information and then added that data to the compilation for all to see.

We sincerely hope that others who have additional information and/or corrections will contact me so that their material can be added to my records and then can be incorporated into the correct book.

Thanks to everyone who contributed any details to any one of my sources or myself, your help is deeply appreciated.

There is a list of sources in the back of this book.

## HISTORY of LOUDOUN COUNTY, VIRGINIA

Stafford Cnty, Va. was divided in 1730, and the County of Prince William was formed.

In 1742, Prince William Cnty was divided, and the County of Fairfax was created and named in honor of its titled proprietor.

In 1757, Fairfax County was divided and the territory west of its altered boundry was christened, Loudoun County.

LOUDOUN County was named in honor of Lord Loudoun, a representative peer of Scotland, who the year before its establishment, and during the French and Indian War, had been appointed Captain-general and Governor-in-chief of the province of Virginia, and Commander-in-chief of the British military forces in the colonies.

From: "Abstracts of Wills, Inventories and Administration Accounts of Loudoun County, Virginia 1757 - 1850 by J. E. S. King - 1984

In addition to the above we have further history of Loudoun Cnty from; Loudoun County Marriages 1760 - 1850 by Vogt & Kethley.

"Loudoun County was created in 1757 from an area of 519 square miles previously contained in Fairfax County. The new county was named in honor of Lord Loudoun, titular governor of Virginia and head of British forces in America, 1757-8. Two new ecclesiastical parishes were established in the new county, namely, Cameron and Shelbourne Parishes, with Goose Creek as the dividing line between them.

"The new county had considerable geographical significance for Virginia at the time of its inception. Despite the Proclamation of 1763 prohibiting colonists from moving west of the Appalations, many settlers were ignoring these edicts and pushing through the gaps in the mountains. Loudoun County was ideally situated as a nexus of western settlement. The point at which its county seat, Leesburg was located, represented the meeting point of two important Indian trails. Pioneers used these thoroughfares through the wilderness as their own, expanding them into major Inter-regional roads. These were the Leesburg Pike and the Carolina Road. By 1730-1740, settlement had commenced.

"Also, Loudoun's position with its northwestern border resting on the Potomac facilitated movement of settlers out of western Maryland and the German settlements of Pennsylvania. Numerous German, Scotch-Irish, Swedish, as well as English surnames are found in the marriage records.

"During the War between the States, Loudoun's proximity to the Union capital of Washington ensured that the land would be marched over almost continously by both armies for nearly 4 years. Several engagements were fought here, and it was from Loudoun County that J.E.B. Stuart's supporting Cavalry elements launched their rush to link up with General Lee in his northern campaign. Stuart left Loudoun on June 27, 1863 and finally met with Lee on July 2 outside Gettysburg".

 County where 1) James, 2) John Sr, 3) John Jr, 4) Jonathan, 5) Joseph, 6) Thomas and William Tribbey are all listed during the  
 period of 1759 through 1784. Thomas is first listed in 1776 in the tithables list. The Indenture dated 10 March 1785 is a very  
 detailed contract between George W. Fairfax, written by his attorney, George Nicholas, and Thomas Tribbey, his wife Ruth and  
 their children. This indenture provides many details about this property which George W. Fairfax rented to Thomas Tribbey and  
 his wife, children and their descendants. See appendix. G E T.

Mary: I have given Mary (McFarlin) Tribbey some more thought and I think she was a widow before she married THOMAS (P) TRIBBEY  
 as his second wife. At the death of THOMAS, she became a widow, probably for the second time. She is named in THOMAS's will  
 with his children, but there was no mention of her children so I think that the 4 named in the marriage records of Loudoun Cnty  
 are hers by her first husband (McFarlin/McFarland). I can not find any trace of a will for a McFarlin/McFarland family. So I  
 believe that they had at least 4 children that are named in the marriage records book. Also after consulting with Pat McARTOR,  
 she believes that Mary was a McARTOR by birth and a sister to JONATHAN (W) McARTOR (of the will). She renounced her dowry from  
 THOMAS TRIBBEY and gave her small estate to Jonathan McArtor and lived with him during her final years. Her gift of personal  
 property to Jonathan McArtor was recorded in Fauquier County.

 AGNES .. (Poulson) #818) Source: Irma Markl, died ca 1795 ?, ? Loudoun Cnty ?, Buried: . . . . . Cemetery, married  
 (2) 23 Apr 1796, in Loudoun Cnty Virg, Mary .. Dodd #128, born ca 1775, ? Loudoun Cnty Virg, Source: Ldn C Marr Rcrd,  
 died . . . . ., . . . . . Knty, Buried: . . . . . Cemetery. Thomas died 10 Dec 1849, ? Rush County, Ind.,  
 Buried: .. Dec 1849, . . . . . Cemetery. Thomas TR Tribbey is named in the Indenture of his father, THOMAS (P) TRIBBEY  
 and he appears to be the first born. His marriage to Deborah JA Poulson is noted, but no date is proven. We have found only 2  
 records of his children, we are forced to estimate that he had at least one son, Thomas TD Tribbey III, who's widow, also a  
 Deborah .. Poulson bought the Tribbey property in Holmes County, Ohio, and she is buried in the Moorhead Mennonite Church  
 Cemetery. Her stone reads 'Deborah, wife of Thomas Tribbey'. Question, did Deborah & Thomas Tribbey divorce & then Thomas TR  
 Tribbey married Mary .. Dodd, had a daughter who is listed in the U S Census of 1810 in Loudoun County, Va. then moved to  
 Kentucky and had a son, James R. ? We can not be sure, but the marriage to Mary Dodd is recorded and the birth of James Rawling  
 Tribbey is recorded in Eastern Kentucky Record Book. After further research, we find that a THOMAS TRIBBEY died December 10,  
 1849 in Rush County, Indiana. We must ask - Is this our missing THOMAS TR TRIBBEY Jr? Did he out-live both wives and die in  
 Rush Cnty, Indiana ? This would indicate that he was ca 83 years old at the time of his death, definitely a possibility. G E T  
 - I am listing 1 possible son to both this Thomas Tribbey and as a possibility, son of Thomas (J2) Tribby who is also listed in  
 the 1810 U S Census of Loudoun Cnty, William will be removed when we find information that he belongs in the other family. G E  
 T. Thomas (J2) Tribby appears in the 1810 US Census with wife & 13 children. 2 Thomas Tribby's appear in the 1787-9 Tax Lists  
 and, 2 in the 1810 US Census with ages, who may well be father and son. Thomas TD Tribbey III appears in the 1830 US Census of  
 Jefferson County, Va. with a wife and 9 children.

Deborah: Deborah Poulson is named in her father's Will. It is said that 2 Poulson sisters married 2 Tribbey brothers.

Mary: The Loudoun County Marriage records list this marriage of a Thomas Tribbey - who May or May Not be our Thomas TR Tribbey  
 Jr. We also found a Thomas Tribby b. ca 1760, with a wife & 13 children listed in the 1830 U S census, we are listing this

large family as a separate group until we find more proof. Three DODD inventories are recorded in Virginia; 1) 1778 Josiah Dodd in Isle of Wight Co., 2) Joseph Dodd 1791 in Lancaster Co. & 3) Robt Dodd 1697 in York County.

John died 3 Jul 1848, Ripley Twp Holmes Cnty Ohio, 4 Buried: Jul 1848, Moorhead Mennonite Church Cemetery. John TR Tribbey is named in the Indenture of 1785 between George W. Fairfax & Thomas (P) Tribbey. We have a record of his marriage but not his brother, Thomas. It is found that 2 Tribbey Brothers married 2 Poulson Sisters and the marriage of Thomas Tribbey to Lydia's sister, Deborah, is not recorded. John Tribbey signed his will John TRIBBEY, with the e so I am sure that is the correct spelling of the name. The other spellings are aberrations. I believe John Tribbey and THOMAS (P) TRIBBEY both signed their WILLS - TRIBBEY.

Lydia: Lydia Poulson is named in her father's family and it is said that 2 Poulson sisters married 2 Tribbey brothers.

Children:

- i Agnes JL Tribbey #92 born 22 Jan 1794, Loudoun Cnty Virg, married 26 Aug 1814, in Loudoun Cnty Virg, 5 Jesse .. - Jesse: We have yet to learn the parents of Jesse Dodd. Three DODD inventories are on record: 1) Josiah Dodd in Isle of Wight Co, 2) Joseph Dodd in Lancaster Co, & 3) Robt Dodd in York Co, all are close to Chesapeake Bay.
6. ii Ruth JL Tribbey #91 born 17 Dec 1795.

James died bef 1825, Loudoun Cnty Virg, Buried: . . . . . Cemetery. James TR Tribbey is listed in the Indenture of 1785, and he is mentioned as deceased and leaving a widow, Tamar and their children in the Will of his father in 1825. Tamar: Tamar Poulton Tribbey is listed in the 1840 U S Census with 1 daughter age 20- 30 and a grandson age 0-5 years. Tamar was by then age 60-70. Tamar is not listed in the 1850 U S Census. Tamar's youngest daughter, Martha b. ca 1816 married twice, so she may be the mother of the boy and also already a widow. Loudoun County, Virginia - INDENTURE - 7 Oct 1817 - #..... (7670 pt 26)

5. Thomas TD Tribbey III. #113 born ca 1790, Loudoun Cnty Virg., 8 Source: U S Census 1830, 9 married ca 1815, in .. .. . ? Deborah .. Poulson #114, born 12 Feb 1794, .. .. . ?, Source: Trib Hist Rcrds, died 18 May 1865, Ripley Two Holmes Cnty Ohio, Buried: .. May 1865, Morehead Mennonite Church Cemetery. Thomas died .. .. . ? Jefferson Cnty ? Virg., Buried: .. .. . Cemetery. After careful consideration of the 1830 US Census record of Jefferson County, Virginia, Larry Richardson and I agree that this is a good fit and we consider Thomas Tribby of Jefferson Cnty to be the son of Thomas Tribbey of Loudoun Co. and the husband of the Deborah (Poulson) Tribbey who moved her family along with the Poulson's to Holmes Cnty, Ohio. Possibly after the divorce from Thomas, then Deborah bought land as a single mother with family. G E T. Deborah: Deborah Poulson has the same name as her mother-in-law, who was also Deborah JA Poulson. I suspect that this Deborah may be a niece and closely related as the TRIBBEYS and POULSONS were very close during their stay in Ohio after the move from Loudoun County, Virginia. The property exchanges bear this out in wills of property to the children and grand-children. In the

estate of Nancy JT Tribbey, Poulson was added as the surname of Deborah, but not in the original hand writing, so it must have been an after thought - Dave Marshall (GET).

Nancy TD Tribbey was the last survivor of the TRIBBEY family that moved from Loudoun County, Virginia to Holmes County, Ohio. Her estate was so poor that its value barely covered her funeral costs leaving little for the relatives to share. She held a little over 50 acres. With her poor health she could not maintain the property and she was declared an invalid in her last years. We have a photo-copy of her guardianship papers - G E Tribbey. Obituary: Nancy Tribbey, daughter of Thomas & Deborah Tribbey, was born in Loudoun County, Virginia, July 27, 1820, and she died February 7, 1910, aged 79 (89) years, 6 months & 11 days. Her mother, Deborah emigrated from Loudoun County, Va., to Ohio in the year 1835 and she started from there, her household effects in a one-horse wagon, with the following children; Loudon, Isaac, William, James, Jasper, Nancy, Lucinda, Amanda, Margaret and Elizabeth. They were on the way about three weeks, and landed west of Killbuck Creek at William Poulson's place on the 16th day of June 1835. Nancy Tribbey had lived in Prairie Township, Holmes County, Ohio, on the farm bought by her mother in the year about 1836, until her death, she being the last member of the family. Funeral services were conducted by Rev. E. F. Wood of the M. E. Church of Shreve. Interment in Moreland Cemetery. We wish through the columns of this paper to give our sincere thanks to friends and neighbors for their kind assistance during the last days preceding the death of Nancy Tribbey.

Gilliland #19144) Source: Hist Dekalb Co, died . . . . . , . . . . . ? , Buried: . . . . . Cemetery. Lydia died aft 1886, Monroe Twp Holmes Co Ohio, Buried: Hopewell Cemetery. Lydia (Tribbey) Buchanan was born in Loudoun Cnty, Va. She was a hard worker, a good manager and a kind, indulgent mother and affectionate wife. Her many acts of neighborly kindness have endeared her to the hearts of legions of friends. An earnest active Christian, she has been identified with the church fifty years. Her parents moved to Wayne County, Ohio, in October 1816, with 7 children. They each lived about 80 years, and their children all survived them except one.

David: David JL Buchanan learned to card wool and followed the business a few years. His means of gaining an education were very limited. His father was a very good scholar for that time, and taught school among the neighbors. Being very apt, he became well versed in orthography, penmanship, arithmetic and surveying. He taught school a few terms, and followed surveying in addition to his farming for 25 years. He settled up a great many estates in his life time. He was married to Lydia Tribbey Sept. 23, 1824, by Samuel Soencer, a Justice of the Peace, and soon after his marriage built a log cabin in the woods on a title of 100 acres of heavily timbered land in Monroe Township, Holmes County, Ohio and some 15 years later bought the land from the original owner. They lived in the log cabin nearly 28 years, and there their children were all born. They had 7 sons & 1 daughter. Six of the children are living. James G. died June 11, 1852 at 23 years, 6 mos & 5 days. Elmira died Jan. 8 1842, aged 14 mos, 7 days. Mr. Buchanan was elected to the office of Justice of the Peace in 1838 as a Whig in a strong Democratic township and filled the office with credit to himself and to the township, and came within a few votes of being re-elected. He visited Indiana several times from 1847 to 1854 to see the country and buy land, and purchased 6 eighty-acre tracts in Fairfield Township, De Kalb County. He moved to this land in October 1854, and his surviving children all came with him or soon after. Here he remained until his death. He was a firm Republican from the organization of the party till his death. He was elected to the office of County Commissioner in this county in October 18.. and held the office one term or 3 years.

He remained with his parents untill manhood, and in 1854 went to Winchester, Tenn., for health, but came back to De Kalb County, Ind., the same fall. When he was 17 years of age, he took a severe cold, which settled in his lungs, and for several years he was unable to work, and he never fully recovered from its effects. After his marriage, Mr. Buchanan settled on a farm in Fairfield Township, where he lived 2 & 1/2 years, and then sold it and bought the one where he now lives, which contains 60 acres of the choicest land in the township, all well cultivated. In 1853, he began to learn the carpenter's trade and followed it several years in connection with farming. His widow and orphaned children will have the sympathies of all who can appreciate their bereaved situation" - Obituary

TRIBBE, (Tibby, Trebee, Trebe, Trebey, Treble, Tribbey, Tribby,  
Tribee, Tribey, Triby)

JAMES present in 1781s, 1782s, 1783s, 1784s & 1785s  
JOHN, 1759, 1761-3, 65, 67-8, 70 71s-74s, 79s, 82s  
John Jr, 1779s, 82s, 83s, 84s & 85s  
Jonathan, 1779s, 82s  
Joseon, 1782s  
THOMAS, 1776s-77s, 1781s-85s  
William, 1770, 1771s-74s, 1776s-77s, 1779s

The (s) indicates Shelbourne Parish which was formed in 1769, but this division was not reflected in the Tax Lists until 1771. It was seperated from Cameron Parish which was created in 1748, before the formation of Loudoun County (1757).

Cameron Parish was part of Fairfax County before the formation of Loudoun County, but we have not found any Tribbey/Tribby in Fairfax County records. Why ?

From this list we can deduce that all the Virginia TRIBBEYs that we know about were in Loudoun Cnty during this period of history. GET. The Tax Lists of 1787 and 1789 show some but not all of these persons to still remain in Loudoun Cnty.

James Trebe/Tribbee shows in the 1810 U S Census in Fleming Cnty, Knty. He purchased land in 1807 and witnessed a land sale in 1809. This James Trebe/Tribbee may be the father of the extra Thomas and John (P2) Tribbey who show in the Tax List of 1789.

John Tribby Sr. (Quaker) may be the older and first of the TRIBBEY/TRIBBY lines that we know about now. I now believe that John Tribbey (Quaker) and his family were first to settle in Loudoun County, then his (brother?) James arrived about 1780, they were born in the same decade. James is first listed in 1781 in Shelbourne Parish and again in 1782, 3, 4 & 5. John's children are listed in the Quaker records of Loudoun County. James is a possible father of other children but we do not know who. James moved with son William to Fleming County, Kentucky and the THOMAS stayed in Loudoun County and maybe the Thomas listed in the Indenture of 1785. I can NOT find proof yet but circumstances make this a reasonable assumption for the beginnings of our TRIBBEY ancestors in Loudoun County after they moved from Pennsylvania where the records are even more difficult to find and evaluate.

Chronological order by these dates: Tithables 1759-1784 & 1787-9  
Tax Lists

Charles, John and Nimrod seem to be of the first generation in Loudoun County, followed by Israel and Jacob a year later. We have no way to determine the relationships until a descendant figures out their individual lineage. Rex Moorhead's ancestor, JENKINS MOORHEAD may be the son of 1 of the earliest Moorheads.

Dear Mr. Richardson,

8 April 1975

Item (5)

Thank you for your letter on the TRIBBEY family prompted by my 'Helper' listing in the March issue.

I don't know immediately that there is a tie-in between the 2 lines but I strongly suspect that we have common TRIBBEY ancestors up the 'Tree'! Do your TRIBBEY ancestors have a Quaker background?

My tie-in to a TRIBBY line has not yet been established conclusively, but is based on such strong circumstantial evidence that I am certain (almost) that I have TRIBBY ancestors. In tracing a MORRIS line I found that several members were Quakers. Turning to Hinshaw's 'American Encyclopedia of Quaker Genealogy', and searching the records of Fairfax Monthly Meeting in Loudoun Cnty, Virg., the home of my MORRIS ancestors before migrating to Ohio, I found that on 27 August 1768 a SARAH MORRIS (formerly TRIBBEE) was disowned by the Quakers for marrying 'contrary to discipline'. My g-g-g-g grandfather JOHN MORRIS, b. ca 1742 & had a wife named SARAH. I then searched carefully the tithable lists for Loudoun Cnty and found JENKIN, John's father, and John, himself, were located in the same tax-collectors district with a JOHN TRIBBY, the only TRIBBY-MORRIS combination found in the lists.

Hinshaw, also shows that JOHN TRIBBY, wife and children were received into GOSHEN (Chester Cnty) Penn. meeting 30 June 1759. Again the tie-up in location and time with my Morris ancestors is consistent.

I searched the microfilm of the Goshen Monthly Meeting which I obtained from the Mormon Library in Salt Lake City and found a JOHN TRIBBY with a wife & children (unfortunately no names) were received 18 November 1754 into the Goshen Monthly Meeting, members of the Vuchland Particular Meeting, on 16 October 1758, in 'Womens Minutes'. ELIZABETH TRIBBY requested a certificate with husband and children (again unnamed) to transfer to Fairfax. I then checked the early Tax Lists for Chester Cnty, Pa., and found a JOHN TRIBBY as early as 1747 in PIKELAND Twp, also in 1749, 1750 and 1753, and in VINCENT Twp in 1757. Both of these townships are close to the site of Vuchland Quaker Meeting.

Are your TRIBBY ancestors tied in with the Quakers? Have you checked the records for possible information? If not, I would recommend that, although in your period of interest, it is possible no Quakers were left, and they must have been a lively branch in Virg. Hinshaw shows a JOHN Jr who was reported to joined the militia and marched away 24-1-1778, he was disowned for same and for marrying out of union, Feb 1779. A JONATHAN was disowned for wedding contrary to discipline 25 April 1782, a WILLIAM acknowledged fighting but was reinstated 26 March 1774, but then was disowned 26 August 1775 for attending the marriage of his sister MARGARET (Williams) for 'Dancing & frolicing at her wedding and wild conduct' etc.

Incidentally, you know that every name has it's spelling variations, but the number of variations for Tribbey is ridiculous! On the Loudoun Tax Lists mentioned above I found: 1761 TRIBBE, 1762 TRIBEY, 1765 TRIBBE, 1767 TREBE, 1768 TRAEY, 1770 TREBEY, (and sun!), 1771 TRIBY, 1772 TRIBEY, 1774 TRIBBEY, 1777 TRIBBY, 1782 TREBBY, 1784 TRIBBEE and 1793 TREEBY. How about that 12 different spellings!!

My SARAH (TRIBBY?) MORRIS died in Columbiana Cnty, Ohio about 1849 at the ripe old age of 102! She holds the longevity record for all my (known) ancestors. My SARAH and John Morris moved from Loudoun Cnty to ELK RIVER Twp, Columbiana Cnty, Ohio, about 1803. Thus my main interest in the

Page 2 of letter from Rex Moorhead to: Larry Richardson - 8 April 1975

TRIBBY family is in the generations precedeing SARAH's somewhat earlier than your immediate interest, but I am sure that if we establish a connection, we can help each other on these earlier common ancestors.

Can you tell me anymore about the 1848 JOHN TRIBBY (of Loudoun Cnty) WILL ? that JOHN could have been a brother, probably, of SARAH TRIBBY MORRIS.

One other clue to the probability of my TRIBBY background, A biographer of the Morris family of Columbiana Cnty stated that the family was of Irish-Welsh descent. Of course the Vuchland area of Chester Cnty, Penn. was in the region of extensive Welsh settlement in the late 1600's & early 1700's.

There are numerous Moreheads (some Murrheads) in Loudoun Cnty lists, but to my knowledge unrelated to my Morehead Irish ancestors who settled in Pa. Where did your Moorhead friend's family originate, and who and where was the Morehead tied up with your Melain cousins ?

I'll keep your letter and if my furthur research, or possibly information from other correspondants from the "Helper" ad, suggests additional help for you, I'll certainly pass the information on, and, hopefully my letter may suggest information which you have which would be helpful to me. Thank you again, for your letter.

Sincerely, Rex K. Moorhead

If you establish a connection with the Loudoun Cnty TRIBBYs, I could provide some information on DEEDS for TRIBBYs before 1800, and possibly additional TRIBBY names from the Tax Lists ca 1760-1790.

Dear Mr Richardson,

Since answering your letter, I received a response from Mrs James (Irma) Markel, 11808 S. E. Alder, Portland, Ore 97216, whose husband's g-g-g grandfather was the JOHN TRIBBY mentioned by you, who died 1848, in Holmes Cnty, she sent a family sheet for JOHN TRIBBY, showing a THOMAS TRIBBY's son who married PRISCILLA MUNDELL. I gave her your address.

Hope to hear from you again.

Sincerely, Rex Moorhead

Teste; Chas H. Ginns - Clerk?

P. S. I believe the surname should be T R I B B E Y as John (son of Thomas) and Thomas each spelled it in his will - AND - the name is spelled on Lydia's gravestone, see photo. - G. E. Tribbey - I further believe that Thomas had a noticable accent so that when he said his name, it sounded like Trebee due to the accent. Many thanks to Irma Markel for photocopy of the original document, and to Larry Richardson for hand copied enhancement of this very difficult to read document. G. E. Tribbey

TRIBBEY, Thomas (R.), one of the best known citizens of Marshall County, greatly respected by reason of his integrity in his business and in his loyalty in citizenship. He was born in Holmes County, Ohio, 27 January 1842. His parents were Thomas (b. 1796) and Priscilla (Mundell) Tribbey. His parents were natives of (Green Cnty) Pennsylvania and they were married (c.1823) in that state, whence they removed to Holmes County, Ohio. When he was 50 years of age, (about 1847 ?), the father (Thomas) went to Dekalb County, Ind. and purchased a tract of land in the midst of the forest. He then began to clear the place in order to develop a farm, but he became ill and died (Aug 1849). The other members of the family therefore never removed to that farm, and at a latter date the mother, (Priscilla b. 1802) took up her abode in Argos, Ind. Where she passed away at the age of 60 (53) years (1855). During the last 18 years (months) of her life, she was an invalid, this condition being occasioned by paralysis. In the family there were 9 children, but only 2 are now living, the brother of our subject being Joseph Tribbey.

Thomas (R.) Tribbey was reared in the old homestead farm in (Holmes Co), Ohio and lessons of industry and diligence were early impressed upon his mind. His educational privileges were somewhat limited from the fact that at the age of 12, (Priscilla died), and he was thrown upon his own resources and has since been dependant upon his own labor for the acquirement of success. In 1865, he arrived in Marshall County, where lived his brothers and other relatives. he began farming here on the shares on a tract of land belonging to a cousin and soon after he took up the business of buying and shipping stock. For 14 years he continued that department of activity, while later he resumed general farming, retiring from the stock business, however, only a few years ago, he was an excellent judge of stock, so that his purchases were judiciously made and his sales proved profitable.

On the 15th of September 1865, Mr Tribbey was united in marriage to Miss Rebecca Brownlee, a daughter of Hugh Brownlee, and they now have 4 children; 1) May, the wife of John Croup; 2) Oscar, a resident of Plymouth; 3) Fred, who is living on a farm in Green Twp; and 4) Daisy the wife of Elton Boggs.

In politics Mr Tribbey was for many years a stalwart advocate of the Republican Party and its principals but his great interest in the Temperance cause has led him during the last 12 years to give unfaltering allegiance to the Prohibition Party. From the age of 22 years he has been a devoted and faithful member of the Methodist Church and in his life has exemplified his belief. He is serving as trustee in the church, to which his wife also belongs, and in all of its work they are deeply and helpfully interested. Since 1904, they have resided in Plymouth in the enjoyment of well earned rest. Starting out in life as he did without capital, Mr Tribbey deserves much credit for what he has accomplished. Prompted by laudable ambition, he has put forth persistant effort, intelligently directed, and as the years have gone by, he has won a gratifying measure of prosperity, deriving his income at present from a valuable farm of 191 acres. His life has ever been upright, his actions manly and sincere and the many good traits of his character, as well as his business success have gained for him the admiration and respect of those who know him.

Mrs. Folsom is still attractive at near-100 age - Item (14)

Mrs. Sarah [Tribbey] Folsom doesn't shilly-shally around with a lot of formality.

True, it was a nice little birthday party. There was Mrs. Suender, who came from Oroville; and that nice gentleman in the grey suit; bright sweet peas, carnations and roses; a sponge cake with pink icing and a flat cake frilled with sugar flowers enfolding a "99" in the center.

Mrs. Folsom sat a little to one side. The other ladies, of course, had a lot to talk about since they were last together in that old Bidwell Avenue house when another cake said "98". And of course Mrs. Folsom merely smiled when one lady assured her she hasn't changed one bit.

"Oh heavens no," said another. "And (God willing) we will be back for that big 'one hundred' too, won't we?" They all agreed.

Well, said another, Sarah will probably be out in the garden hoeing or something.

Said her sister, Mattie White: "I know Sarah. As soon as I turn my back and head for San Francisco, she'll pick up a hoe and go to work."

Sarah turned and blinked: "I don't suppose I'll wait 'till you leave." The ladies saw a gay little wink.

"Hard work never hurt anybody," Sarah went on to justify that hoe.

"Oh Heavens on," said another lady. "Why Sarah choos her own wood, keeps house alone (she lives next door to her daughter, Mrs. Annie Richardson) and she even weaves rugs." A huge loom occupies the front parlor.

"I don't weave rugs anymore," corrected Mrs. Folsom.

"Well you only stopped two weeks ago," said Mrs. Richardson, Sarah nodded.

Sarah was still thinking about that hoe. "If I let 'John' do my work, I never would have lived to see 70." The ladies agreed. Hard work is the best thing in the world - especially to get rid of the "blues."

And no drinking and smoking, added Sarah, with a sharp eye toward sister Mattie who was puffing away on a filter tip. Sister Mattie agreed, "but I can't stop, Sarah." Sarah merely hummed.

The party was yesterday in Mrs. Folsom's home at 1246 Bidwell Avenue. She moved there, she explained, years ago when Bidwell Avenue was an alfalfa field and a cow pasture. There are a lot of other historical details, but Mrs. Folsom didn't seem very excited about the old immigrant days or why she moved from Oroville to Chico in 1906. She mostly just sat quietly, waiting it seemed, for all the fuss to end, so she could get back to things that count.

Sarah Tribbey (BK #168), was born 12 May 1859 in Marshall Cnty, Ind and she died on 30 April 1959 in Thermolito, Cal. less than 2 weeks shy of her 100th birthday! She is buried in Lovelock Cemetery.

A picture of Sarah Folsom sitting at her loom accompanies this article on page 23 of the Enterprise-Record. Clipping sent by her grand-son Larry Richardson of Paradise, California, G E T.
